

## Planning Admin Fundamentals (7310)

Duration: 1 Day

The aim of this programme is to provide local authority administrative staff (or professional and technical staff willing to participate) with a basic knowledge of the structure of the planning process in Ireland, with a particular emphasis on day to day administrative functions in planning arising out of the Planning and Development Acts and Regulations.

## Development Management Fundamentals (7311)

Duration: 1 Day

The aim of this programme is to understand the broad structure of the planning process in Ireland in relation to development promotion and development management, including the roles within such processes of the European Union, the Government, Local Government, An Bord Pleanála and the Office of the Planning Regulator, as well as the Courts and the general public.

The course is intended for technical and professional staff and administrative staff willing to participate.

### Planning Services Training Group (PSTG)

The PSTG was established to meet the developing needs of the Planning Services Sector through the development and delivery of training courses through the Regional Training Centres.

The PSTG are working in collaboration with the Department of Housing, Local Government and Heritage, the Office of the Planning Regulator and the County and City Managers Association through the development and delivery of courses in line with the implementation of the Learning and Development Strategy for the Local Authority Planning Sector.
